Sir,

Subject: Grant of privilege to have an elected Non-official President at Anekal Town Municipality.

I have the honour to state that on the application of 14 Municipal Councillors, the Town Municipal Council of Anekal have resolved at their meeting held on 24-5-1942 that Government may be requested to grant that the privilege of electing their own non-official President It was reported that Mr B Srinivasaiengar, Jodidar of the place was the Honorary President of the Municipality from 1-9-1930 to 3-12-33 The Amildar President recommends the proposal of the municipality on the ground that the Town is anxious to have its own non-official President But the Sub Division Officer, Dodballapur opines that in view of the present political situation the proposal of the Council may be over for the present

2 It is open to Government to confer on any Municipal Council the privilege of electing their own Non-official President under Section 23 (2) of the Town Municipality Act of 1933 But I think time is not opportune to favour the present move of the Municipal Council in view of the political situation now Besides the collection of heavy arrears of Mohatarfa and other taxes requires efficient and constant supervision by the Amildar President. In view of the circumstances, I have ordered that the proposal of the Municipal Council to have an elected President may lie over for the present as opined by the Sub Division Officer, Dodballapur I am writing this only for the information of Government.

I have the honour to be,

Sir,

Subject:- Privilege of having a non-official President to Anekal Town Municipality
-1000 -

With reference to your letter No - 5492 M1 56-42-27 dated 2-12-1942 and No - 9333 M1 120-12-253 dated 27-2-44 on the above subject, I have the honour to state that the previous records relating to the appointment of Mr B Srinivasa Iyenger as the non-official President of the Municipality has not been submitted by the Amildar President of the Municipality till now despite issue of many reminders It is ascertained that the records are not readily traceable However, Mr B Srinivasa Iyenger had been appointed as non-official Municipal President and he was not elected President Due to the heavy accumulation of arrears due to the Municipality, the appointment of non-official President was cancelled and the Amildar was appointed as ex-Officio President of the Municipality

2 The Town Municipal Council have again resolved at their meeting held on 6-5-45 that they may be granted the privilege of having a non-official President, as sanctioned to several Municipalities in the District recently The Amildar President is personally of opinion that a non-official President, appointed by Government is preferable to an elected President in the present state of affairs of the Municipality

3 The Municipal Council obviously wants an elected non-official President In these circumstances, I recommend that sanction of Government may be kindly obtained for the above resolution of the Municipa Council for having an elected non-official President

The connected records accompany for favour of
